PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes slight eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

ENVIRONMENTAL HAZARDS

For terrestrial uses: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE SITES Use to selectively control/suppress broadleaf weeds and diseases growing in lawns.

PESTS Controls or suppresses weeds such as but not limited to:

- | | |
|--------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| • Black medic (<i>Medicago lupulina</i>)§ | • Lawn burweed (<i>Soliva ptero-sperma</i>)* |
| • Broadleaf plantain (<i>Plantago major</i>)* | • Narrow-leaved plantain (<i>Plantago lanceolata</i>)* |
| • Bull thistle (<i>Cirsium vulgare</i>) | • Oxalis (<i>Oxalis</i> spp.)* |
| • Canada thistle (<i>Cirsium arvense</i>)* | • Prostrate knotweed (<i>Polygonum aviculare</i>)* |
| • Common chickweed (<i>Stellaria media</i>)§ | • Shepherd's-purse (<i>Capsella bursa-pastoris</i>)* |
| • Creeping buttercup (<i>Ranunculus repens</i>) | • Silverweed cinquefoil (<i>Potentilla anserina</i>)* |
| • Creeping Charlie/Ground ivy (<i>Glechoma hederacea</i>)* | • Speedwell spp. (including Persian Speedwell (<i>Veronica persica</i>) and Slender speedwell (<i>Veronica filiformis</i>))* |
| • Dandelion (<i>Taraxicum officinale</i>) | • White clover (<i>Trifolium repens</i>) |
| • Dovefoot geranium (<i>Geranium molle</i>)* | • Wild chamomile (<i>Matricaria chamomilla</i>)* |
| • English daisy (<i>Bellis perennis</i>)§ | • Wild geranium (<i>Geranium robertianum</i>)* |
| • False dandelion (<i>Hypochaeris radicata</i>)* | • Moss, liverworts,* algae* and lichens* |
| • Healall (<i>Prunella vulgaris</i>)* | |

Controls or suppresses diseases such as but not limited to:

- | | | |
|----------------|---------|--------------|
| • Dollar Spot* | • Rust* | • Snow Mold* |
|----------------|---------|--------------|

* not for use in California § only approved for suppression in California

DIRECTIONS FOR USE (cont'd)

APPLICATION DIRECTIONS Shake well before using. Do not dilute. Thoroughly spray weeds. Use a coarse nozzle setting to reduce drift. Repeat treatment in 3 to 4 weeks for best results.

WHAT WILL I SEE? Works quickly; dying weeds will be seen within hours of application. Treated weeds, moss or algae will turn brown or black. Occasionally a darkening of the grass leaf blades can occur after treatment; however the grass will recover within a few days to weeks. May stain thatch (dead grass under lawn); this does not affect the health of the grass.

USE PRECAUTIONS Do not apply to drought stressed grass; ensure lawn is well watered prior to application. Do not apply when the daytime temperature will exceed 85°F. Do not apply to bentgrass. If unsure of grass sensitivity, test spray a small area of your lawn. Do not apply to newly seeded areas prior to grass seed germination. Avoid spraying desirable plants. Any desirable plants or structures accidentally contacted should be rinsed with water. To avoid staining, wait until treated area dries before re-entry. Do not apply if rainfall is expected within 3 hours of application. Do not irrigate within 3 hours of application. Do not apply to the same area more than 4 times a year, not including spot treatments.

STORAGE AND DISPOSAL

PESTICIDE STORAGE Store this product in its original container and keep in a secure storage area out of reach of children and domestic animals. Store unused material, tightly closed, in original container only, away from open flame.

PESTICIDE DISPOSAL AND CONTAINER HANDLING

Non-refillable container. Do not reuse or refill this container.

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

WARRANTY To the extent consistent with applicable law, seller warrants that this product conforms to the chemical description on this label and is reasonably fit for the purposes stated on this label only when used in accordance with the directions under normal use directions. This warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. Buyer assumes all risk of any such use. To the extent consistent with applicable law, seller makes no other warranties, either expressed or implied.
