PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS. WARNING: Causes skin irritation. Causes substantial but temporary eye injury. Harmful if inhaled. Do not get in eyes, on skin or on clothing. Avoid breathing spray mist. Wear long-sleeved shirt and long pants, socks, chemical resistant footwear and gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove contaminated clothing and wash before reuse. Wear protective eyewear (goggles, face shield or safety glasses).

ENVIRONMENTAL HAZARDS: This product is hazardous to aquatic invertebrates. Do not apply directly to water. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems.

DIRECTIONS FOR USE	
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.	
USE SITES:	
Around ornamental flowers; on and around mature shrubs and trees; ornamental lawns and turf; ornamental woody shrubs, vines, and ornamental shade trees; spot treatment in lawns bordering garden areas; in seedbeds or site preparations prior to planting crop; cultivated areas prior to the emergence of susceptible plant parts or as a directed spray avoiding desirable plants; fields after the crop has been harvested; for farmstead maintenance on and around fences, driveways, and other right-of-ways surrounding crop areas; on structures holding flowers, trees, shrubs, vines, and vegetables; and grass or non-grass forage/fodder/hay.	
PESTS:	
Weeds controlled or suppressed by Weed Warrior Concentrate Grass and Weed Killer include the following: <div><div><ul style="list-style-type: none">• chickweed (<i>Stellaria media</i>)• dandelion (<i>Taraxacum</i> spp.)• groundsel (<i>Senecio</i> spp.)• mouse-eared chickweed (<i>Cerastium vulgatum</i>)• plantain (<i>Plantago</i> spp.)• round leaved mallow (<i>Malva</i> spp.)• shepherd's-purse (<i>Capsella bursa-pastoris</i>)• annual bluegrass (<i>Poa annua</i>)• perennial ryegrass (<i>Lolium perenne</i>)• hard fescue (<i>Festuce ovina</i>)• moss, algae, and lichens</div><div><ul style="list-style-type: none">• corn spurry (<i>Spergula arvensis</i>)• thistle (<i>Cirsium</i> spp.)• lamb's-quarters (<i>Chenopodium album</i>)• mustards (<i>Brassica</i> spp.)• redroot pigweed (<i>Amaranthus retroflexus</i>)• sheep sorrel (<i>Rumex acetosella</i>)• stinkweed (<i>Thlaspi arvense</i>)• large crabgrass (<i>Digitaria sanguinalis</i>)• creeping red fescue (<i>Festuca rubra</i>)• colonial bentgrass (<i>Agrostis tenuis</i>)</div></div>	

DIRECTIONS FOR USE CONTINUED...	
PRODUCT INFORMATION: Weed Warrior Concentrate Grass and Weed Killer is a fast-acting, non-selective weed, grass, algae and moss killer. This product is not translocated. It will burn only those plant parts that are coated with spray solution. The best results are obtained with young, actively growing weeds, less than 5 inches high. Weed Warrior Concentrate Grass and Weed Killer can be used any time during the year and works best during warm and dry conditions. Application during cold weather may delay appearance of plant damage. If rain falls within 3 hours of treatment, an additional spray may be required. Weed Warrior Concentrate Grass and Weed Killer controls many common annual weeds and suppresses the growth of some bi-annual and perennial weeds. It can be used in cultivated areas prior to planting grass, flowers and vegetables. Areas can be re-sown five days after treatment. Inadvertent overspray of Weed Warrior Concentrate Grass and Weed Killer does not stain concrete, pavement, stucco or wood.	
APPLICATION DIRECTIONS: Shake well before using. Mix 26 oz. of Weed Warrior Concentrate Grass and Weed Killer in 1 gallon of water and spray weeds until runoff. Alternatively, for small, easy-to-kill weeds, mix 14 oz. Weed Warrior Concentrate Grass and Weed Killer in 1 gallon water. Apply the mixed solution at 2.5–7.5.gallons/1,000 ft² (3–9 fl. oz./yard²). Any standard hand-held or backpack sprayer can be used. Spray weeds thoroughly, using a coarse nozzle setting to reduce drift. Thorough coverage is extremely important. For spot treatment of individual weeds, apply the mixed solution to the center of plant to the point of runoff. Plant damage will be visible from a few hours to 2 days after spraying. Repeat treatment every 2 to 3 weeks to control new weeds growing from seed and regrowth from bi-annual and perennial weeds. Avoid spraying desirable plants. Thoroughly wash equipment after use.	
STORAGE AND DISPOSAL	
PESTICIDE STORAGE: Store unused material, tightly closed, in original container only, away from open flame. Do not store at temperatures below 39°F.	
PESTICIDE DISPOSAL: If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.	
NOTICE TO BUYER:	
To the extent consistent with applicable law, seller warrants that this product conforms to the chemical description on this label and is reasonably fit for purposes stated on this label only when used in accordance with directions under normal use conditions. This warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. Buyer assumes all risk of any such use. To the extent consistent with applicable law, seller makes no other warranties, either expressed or implied.
