# BUG DOOM HOME INSECT CONTROL

- + KILLS LISTED INSECTS THAT CONTACT SPRAYED AREAS (EXCLUDING BED BUGS)
- + DO NOT SPRAY DIRECTLY ON PLANTS
- + NO UNPLEASANT ODOR

## FIRST AID

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. **For medical emergency information, you may call toll free 1-800-424-9300.**

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Avoid contact with skin or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

### USER SAFETY RECOMMENDATIONS:

- Users should wash hands with plenty of soap and water before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

## ENVIRONMENTAL HAZARDS

This product is toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticides to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are foraging the treatment area.

**PHYSICAL OR CHEMICAL HAZARDS:** Combustible.  
Do not use or store near heat or open flame.

## STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE STORAGE** Keep this product in its tightly closed original container when not in use. Store in a cool, dry, well-ventilated (preferably locked) area that is inaccessible to children and animals.

## PESTICIDE DISPOSAL AND CONTAINER HANDLING

**If empty:** Nonrefillable. Do not reuse or refill this container. Place in trash or offer for recycling if available.

**If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For residential areas only. Please read entire label. Use only as directed. Shake well before each use.

**PESTS**

Bug Doom Home Insect Control will kill the following listed insects: ants (excluding fire ants, harvester ants, Pharaoh's ants and carpenter ants), bed bugs, beetles, boxelder bugs, carpet beetles, caterpillars, centipedes, clothes moths, American cockroaches, crickets, darkling beetles, dermestids, earwigs, Elm leaf beetles, firebrats, hide beetles, house flies, kudzu bugs, leather beetles, non-biting midges, millipedes, moths, multi-colored Asian lady beetles, pantry pests, pillbugs, silverfish, sowbugs, spiders (excluding black widow, brown recluse, and hobo spiders), and stink bugs (including brown marmorated stink bugs).

**APPLICATION INSTRUCTIONS**

Spray directly onto pests, as a perimeter treatment and/or thoroughly to infested areas and insect hiding places. Exposure of sprayed areas to weather, particularly sunshine, reduces the duration of residual effects. Repeat applications as necessary. Do not apply directly to plants. Some floors may be slippery after spraying.

Can be used in and around residential homes, out buildings, barns, equipment storage, and covered workplaces. Apply thoroughly to all areas where pests crawl and hide, including cracks and crevices, crawlspaces, storage areas, sinks and storage areas, along baseboards, around doors and windows, behind and under refrigerators, cabinets, counters, sinks and stoves, shelving, drawers, bookcases and other similar areas pests are present. Use outside on pests in seams and cracks in pavement, patios, walkways, gravel, bark mulch, on insect nests in landscaped areas, lawns, turf, ornamental gardens, trees, around the outside of raised beds and containers, and where pests may enter building including screens, window frames, foundation eaves, garages, and garbage cans.

Listed flying insects: Apply to all areas where these pests land or nest including around doors and windows and on counters.

Ants (excluding fire ants, harvester ants, Pharaoh's ants and carpenter ants): Spray freely around ant trails, doors, windows and other places where ants enter the premises or building. Spray around nests hidden under steps, brickwork, concrete, etc. Break apart accessible nests and spray freely on and around debris. For even better results spray ants directly.

Spiders (excluding black widow, brown recluse and hobo spiders): Apply along and behind baseboards, to window and doorframes, corners, pipes, storage.

**USE RESTRICTIONS**

- Do not allow adults, children, or pets to enter the treated area until sprays have dried.
- This product is not for use in outdoor residential misting systems.
- Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift.
- Remove pets, birds, and cover fish aquariums before use.
- Remove or cover exposed food and drinking water before application.
- Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.
- Do not apply more than 29 fl. oz. per 100 square feet per application.
- Do not apply directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur.
- Do not allow the product to enter any drain during or after application.
- Do not make applications during rain.
- Do not water the treated area to the point of run-off.
- Other than applications to building foundations, all outdoor applications to impervious surfaces such as sidewalks, driveways, patios, porches and structural surfaces (such as windows, doors, and eaves) are limited to spot and crack-and-crevice applications only.
- Do not apply to plants.

**NOTICE TO BUYER**

To the extent consistent with applicable law, seller warrants that this product conforms to the chemical description on this label and is reasonably fit for purposes stated on this label only when used in accordance with directions under normal use conditions. This warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. Buyer assumes all risk of any such use. To the extent consistent with applicable law, seller makes no other warranties, either expressed or implied.
